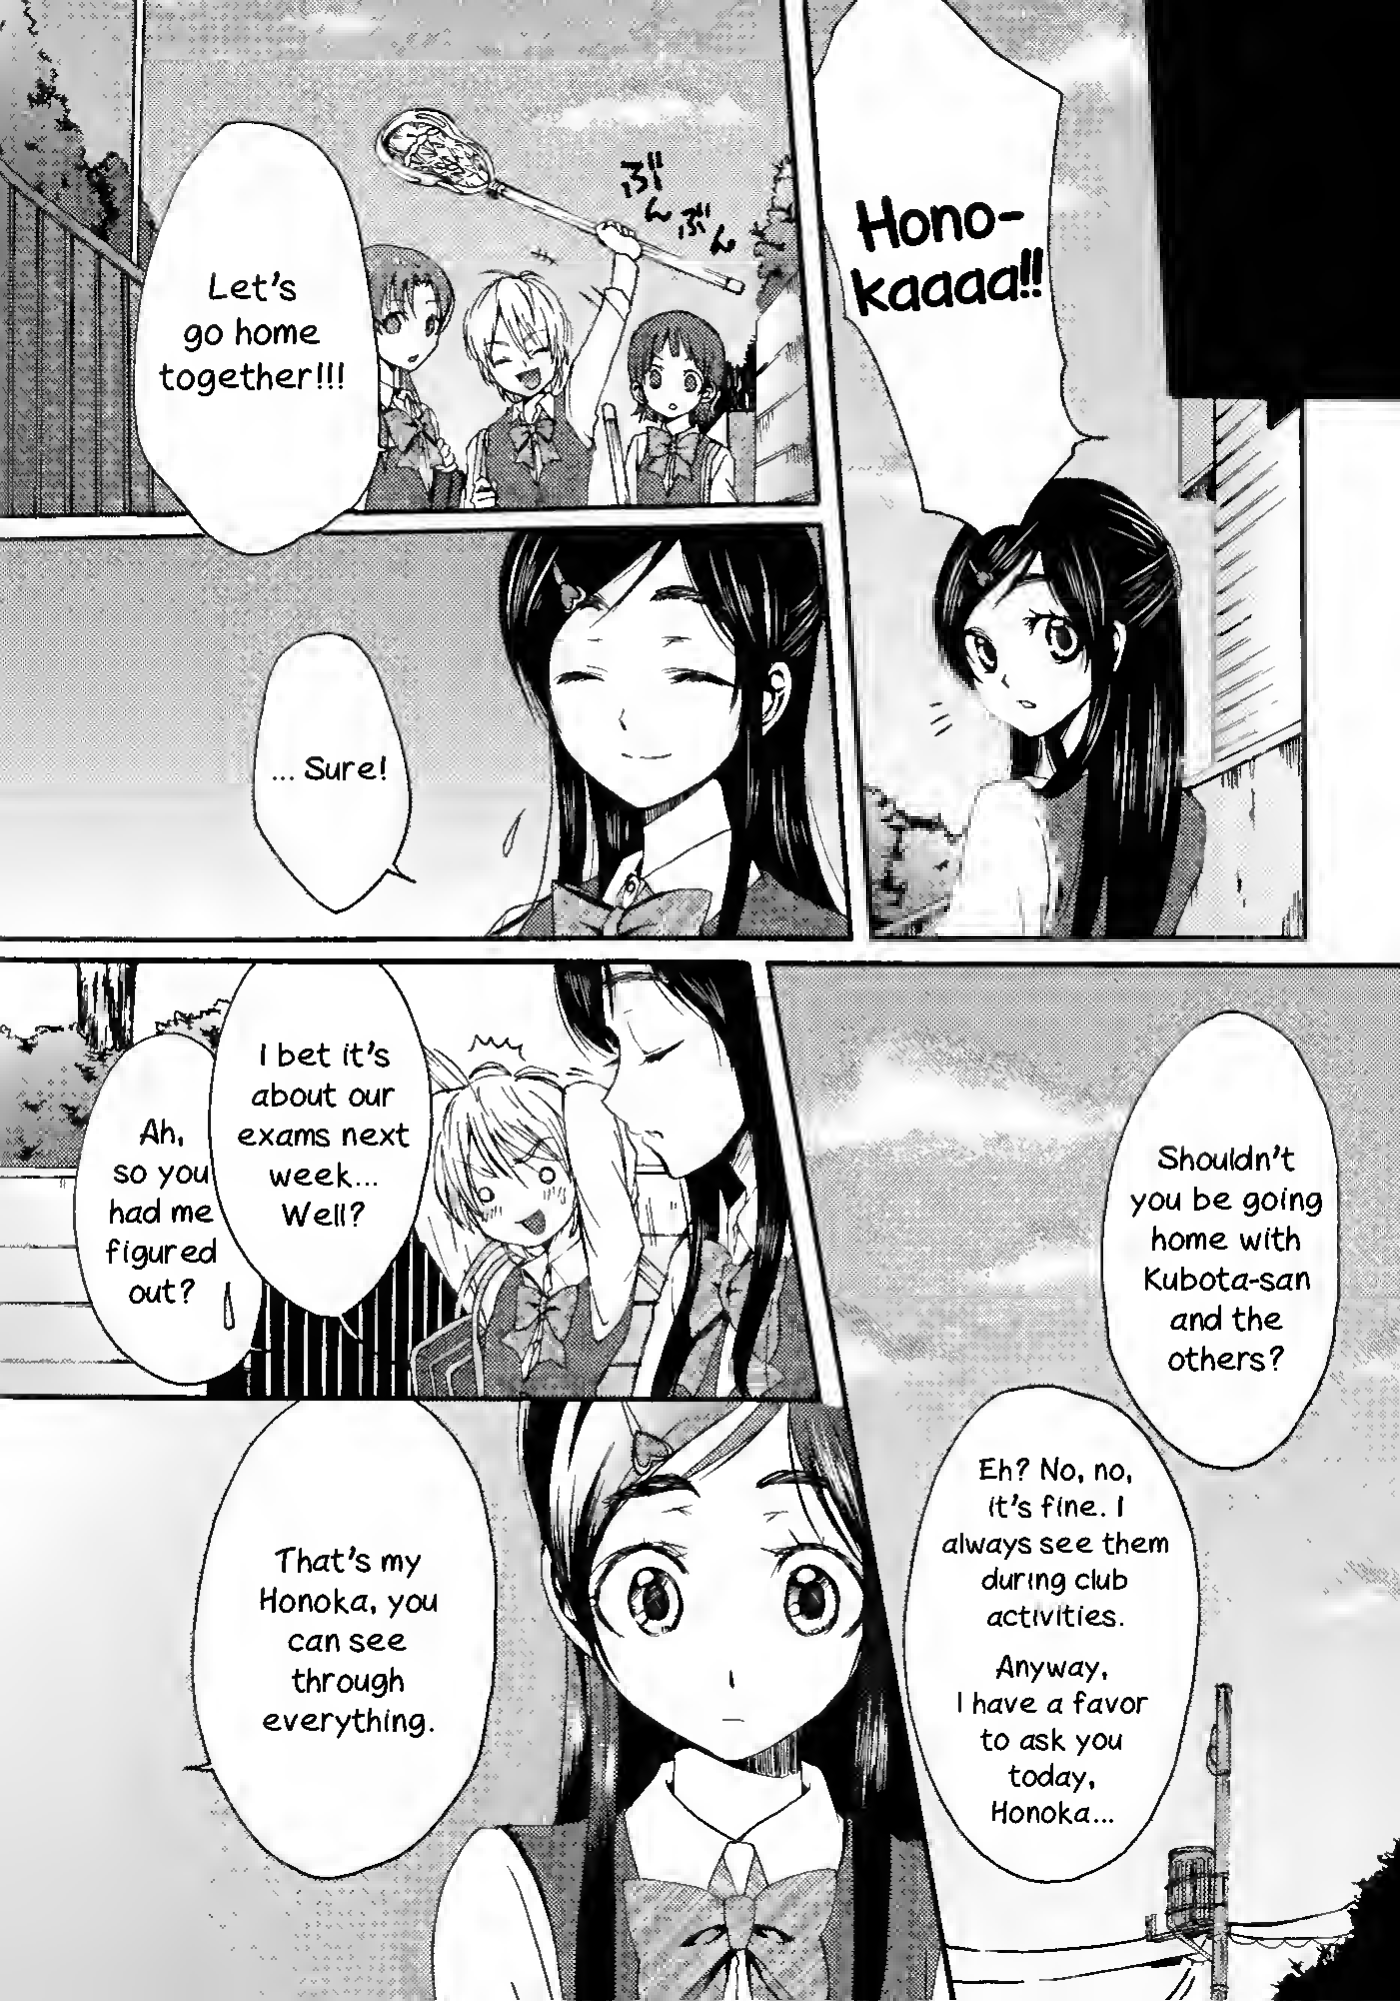
It's Fall.
... In the last six months, there were many events in my life...
that have become precious to me.
I met Mepple and Mipple.
I became a PreCure, a guardian of the Gardens of Light and Rainbows...

preCure Marble Screw!!!
We were always together...
We wouldn't have been able to get through this on our own.
Yes, we were always together...

Nagisa...
it's because you smiled at me.
コッ...
... I couldn't comprehend it, no matter what book I read.
sigh
... That's because these feelings of mine...
are just not possible...



Let's go home together!!!
Hono-kaaaa!!
... Sure!
Ah, so you had me figured out?
I bet it's about our exams next week... Well?
Shouldn't you be going home with Kubota-san and the others?
That's my Honoka, you can see through everything.
Eh? No, no, it's fine. I always see them during club activities.
Anyway, I have a favor to ask you today, Honoka...

All riiiiight!!! Now that our study party is set up, I need to get some energy at Akane's place!
Am I merely a friend?
... Am I merely her partner?
You should come too, Honoka!
Or maybe...
... All right.
I wonder what...
Nagisa thinks of me...?

M-Mipple, what is it?
You've been spacing out since earlier, that's not like you.
Ah!
Honoka!
... I don't know anything about Nagisa.
... Honoka...
Have you been thinking about Nagisa again mipo?
Blushing
I can't get my mind off Nagisa lately... I feel anxious.
Am I... strange, you think?
T-That's not true...!
... I think...
Blush
You wear your heart on your sleeve, Honoka mipo
Bullseye mipo

Honoka, you're in love with Nagisa mipo.
I don't think you're strange, mipo. That happens to me a lot when I think about Mepple.
I'm wrong mipo?
... I don't think that's it, Mipple.
Honoka? Are you hurt somewhere mipo? Don't cry mipo~
... Yes... I don't think that's it...
!
That's because Nagisa has a thing for Fujimura-kun...
... I'm fine. Sorry for making you worry about me
I'm sorry...

Mepple~~
Mepple~~~
Love!
Love!
GRRRR!! Shut uuuup!!!
SQUEEZE
What mepo!? Don't take it out on me because you can't solve your homework problems mepo!
That's not why I'm angry!!
I'm trying to memorize this right now!

Nagisa, this is wrong here...
W-Where?
Here.
You're the only one who would mess up "love" and "strange", Nagisa mepo!
GOOD NIGHT!
Honoka?
Kyaa ahh!!
"Honoka, you're in love with Nagisa mipo."
Jeez...
You brought it on yourself!!
Mepo--
Mepple--

Did I... mess it up again?
Ehh? N-No... that's... not it...
... Oh yeah...
Honoka, is there anyone you like?
Anyone I like...?
ドン
That would be...
Badump
?
the one right in front of me...
and the only one I can see...
Badump

ou,
Nagisa...
...?
Hm...?
Don't tell me, am I the one you like?
Oh jeez, come on, Honoka, it's embarrassing if you stare at me so much!
Ah--
....
BLUSH
BLUSH
BIush

Ahh, come on! Honoka is in love with you, Nagisa mipo!
Mip-ple!
N-No! Nagisa...
Honestly, I knew all along!!
that my feelings for her were those of love.
Ehhh....
ummm...
....
I knew that it wasn't going to be possible for me...
.....
Tear
....!
to hide the way I feel about her.
Honoka...

Collapse
sa!?
Nagi--
Nagisa? Are you okay...?
Honoka...
Eh?
you're stubborn...
you're unyielding...
and sometimes very nosy...

You're clumsy, but you can't ignore someone when they're in trouble...
You don't need to say all that...
However, those are all...
the best parts about you...
and I love them!!

Ah... Whoops... Sorry, Honoka, am I heavy? My leg's gone numb...
I am so very happy that you're the one...
I became a PreCure with...
AH HH HH
... One day, I hope I can hear Nagisa say those words too.
Nagisa aaaa-aaaa!!
Hey! Honoka! Don't move! I told you my leg's gone numb!!

They say that people misunderstand the excitement you get from a thrilling experience or sports for the excitement of love.
Honoka, you idiot!!
Love is a science.
Badump
However...
is the excitement of being in love.
what I am feeling right now...

N-Nagisa? Is your leg better?
Hmm? Noooot yet.
Pollun is going to play too! popo
Ohhh Honoka... you're so cute it makes my heart pound!

I WROTE THIS SOMETIME AROUND MY MH SCHOOL TRIP. THIS IS THE SECOND THING I'VE DRAWN. AT THE SAME TIME I WAS SETTING THE SITE UP, I WAS HOSPITALIZED AND A LOT WAS GOING ON. EVEN SO, I HAD FUN DRAWING IT. THIS IS MY FIRST WORK DONE IN HONOKA'S POINT OF VIEW.

つづいて、『昼と夜』です。
この作品はＭＨ最後のイベント参加（Ｓ☆Ｓ放映日）で、
だし　そびれた漫画です（笑）（落丁回収コピー本ｗ）
なので世に出るのは初めてです。
５年経ってようやく出すことが出来ました。
感慨深いです。
